“Accidental Destiny” — Worksheet —

Have you ever wondered whether your destiny is carved in stone? And what about free will? Is destiny just an accidental thing like a coincidence? How do we know when to exercise our free will, and when to let our destiny unfold?

In this episode, we'll be talking about how every person has a destiny. But throughout each of our lives, destiny and free will meet ... over and over again, action and reaction. Tune in to understand the difference between destiny and free will!

3 Takeaways

- 1) Events that SEEM out of our control, CAN be changed
- 2) We can break the patterns of karma, but only when we recognize the patterns
- 3) We can change our destiny by using our free will

Biggest Mistake to Avoid

Allowing stressful situations to continue, when we have the power to change the energy.

Recommended Action

We can “harvest” our karma. We plant a seed, and something grows from that seed.
