Dissolve the obstacles in your path and bring success TO YOU!

What If You're More Powerful Than You Realize?

Do you have a sense of how powerful you are ... and it terrifies you just a little bit? Some people tell me they're very afraid of their own power. But they're also afraid of holding back ... of playing too small. So what if you're scared of your own power, but you're also afraid that maybe you're holding back the best part of you?

In this episode, we'll talk about how God don't want you playin' small!

3 Takeaways

- When you KNOW your strengths, there's nothing to be afraid of
- You ARE a creator
- Each of life's challenges is asking you to not respond and react, but to CREATE what you want

Assignment:

- 1) Consider a life challenge that you have right now
- 2) Within that challenge, what's your assignment? What are you supposed to create instead? What could you create as an alternative to this challenge?
- 3) What if you're more powerful than you realize ... what would you create *next*?
- 4) This is your invitation to step it up a notch and create something unimaginable ... something totally unreasonable ... *something that seems impossible!*
