

# unlock your *hidden* power

Dissolve the obstacles in your path and bring success TO YOU!

Rémy Chausse

## Peace Is Not All It's Cracked Up To Be

It's popular to want peace ... world peace, a peaceful existence, peace-of-mind. But sometimes peace is just not all it's cracked up to be. Because what if that's not what your soul is seeking?

If you've ever wondered what to do when you just can't find peace, then this episode is for you!

### 3 Takeaways

- You soul may not be seeking *peace*. It may be seeking *guidance*.
- The obstacle IS the path. As long as there's conflict, there's also opportunity to grow (if we focus too much on peace, we may lose the growth opportunity).
- The challenge is asking, "How can we expand *who we are?*"

### Assignment:

- 1) Listen to the two meditations given—one to clear negative energies, and one to call in strength
- 2) Download the transcription from YouTube
- 3) Copy & paste the transcription into a Word Document, then edit to fit your own situation.

Note: For the strength meditation, you could even substitute words like peace, flow, compassion, inspiration or any of the virtues.

### Biggest Mistake to Avoid

Ignoring the obstacles. The challenge is a puzzle your psyche has presented to you in an external way so you can see where you're stopping yourself from success.
