Dissolve the obstacles in your path and bring success TO YOU!

## Why Your Life Won't Change

We sometimes wonder why life ... or this situation we're in ... won't change. We try *this*, and we try *that*, and no matter what, we just seem to be STUCK.

If you've ever wondered how to change the underlying momentum so that life will change, then this episode is for you!

## 3 Takeaways

- All the action in the world won't matter if your energy and mindset aren't straight
- We're actually stuck in the resistance against the situation (not the situation, itself)
- Thoughts create reality. It's an EXACT science. And failure is impossible.

## Assignment:

- 1) Think of one perfect thought for 10 seconds
- 2) Write it down over-and-over, and see what other positive thoughts want to join in
- 3) Watch your world begin to re-create itself!

## Biggest Mistake to Avoid

Not getting your energy and mindset straight FIRST (before taking any action).
