The 7 Stages to Align with Our Soul's Plan

At some point on our spiritual journey, we may realize that life isn't working (and success isn't what we hoped it would be). We begin to wonder, "Is my Ego running my life ... and if it is, what does my Soul want? How can I course-correct this journey I'm on to align with my Soul's Plan?"

If you're ready for a shift in perspective, then this topic is just for you!

3 Takeaways

- The soul contract cannot be broken, and it is not subject to free will
- The soul only wants ONE thing — for us to stop the negative chitter-chatter, and change our vibration to a higher frequency
- Healing is simply a shift in perspective

Assignment:

1. As you review the 7 stages, do you find that like so many others, you get hung up between stage 3 and stage 4?
2. Are you currently in a different stage, and if so, which one?
3. As you consider a challenge you're currently experiencing, what shift in perspective could you make?
4. What did you learn today that will MOST help you progress onto your Soul's Plan?

Biggest Mistake to Avoid

Allowing Ego to throw a tantrum when it doesn't get what it wants. We must surrender to the Soul's Plan, because nothing will work until we do.
